Welcome to Bush Ways Safaris

We continue to research, adapt and refine our products to ensure that you always get the best. Take a ride with us and experience a real African Safari with all your natural senses!

Smell the warmth of the earth, marvel at the sunsets and surround yourself with the sounds of an African night.

Bush Ways Safaris welcomes you to the real Africa Safari Experience!

Our Safari Equipment

All Bush Ways Safaris are equipped with the luxuries required for travel comfort and peaceful relaxation (custom-built safari vehicles, a mobile kitchen serving good wholesome food with an African flavour and ice-cold drinks for that tropical sundowner) while still maintaining the exhilarating adventurous spirit of the pioneer. All our, customised, safari vehicles are extra wide allowing for more seating space and have: **1** Folding windscreen, **2** removable canvas roof, **3** perspex windows for the cold and rain, **4** fridge for cold beverages, **5** folding side door, **6** comfortable coil spring suspension, **7** 120L water tank with tap and **8** open sides for unobstructed views. Our trailers are also custom built on Land Rover chassis: **9** chair box for easy access, **10** easy modular packing system – saves time, **11** folding side table complete with full kitchen behind.
