Renting a motorhome is the most affordable way to see Canada. The investment will quickly pay off with large savings on transportation, lodging and meals. This form of travel gives the flexibility to make travel plans as you go, and if a particular spot is appealing then stay an extra night or two.

Choose from 8ft to 32ft motorhomes and truck campers. All motorhomes come equipped with air conditioning and flush toilets and all, except the 8ft truck camper, have a built in shower. In Canada depots are located in Vancouver, Calgary, Whitehorse, Halifax and Toronto.

To make it easy and hassle free, rent a GPS Navigation system or an electronic GyPSy Guide delivering interesting and entertaining commentary (additional cost, contact us for details).

What are you waiting for? Come and explore Canada at your own pace and stay in some magnificent wilderness settings with million dollar views!
