

Small Ship Alaska

Pure Alaska adventure with... **the Un-Cruise**

InnerSea Discoveries explores South East Alaska remote wilderness hideaways via the only means possible - as an Un-Cruise on small expedition ships.

Unequaled, Uncommon, Unbridled, and...

Unheard of:

- Kayaking alongside bears on the beach and among 10,000 year-old icebergs
- Hiking to two of the world's mightiest waterfalls at Mist Cove and Cascade Creek
- Caving inside El Capitan - North America's largest mapped cave
- Being the only ship visitors to hear native storytelling and watch totem carving in Klawock
- Relaxing under the stars at anchor in the onboard hot tubs
- Stand-up paddle boarding in quiet coves or in view of a mammoth glacier
- Spend less vacation dollars than any any other small ship Alaska voyage

Unherded:

- Only 49 guests – no crowds or lines or worries
- No bus tours
- No ports for shopping with hordes of cruise ship passengers
- Hike and kayak where only small groups are allowed
- Speak one-on-one with naturalists and guides whenever you want
- Visit the Captain on the Bridge
- Unfettered access to the bow and decks for up-close viewing
