Between the Drakensberg Mountains and the Kruger National Park on the banks of the Makutsi River, lies Makutsi Safari Springs. Accommodation is in rondavels surrounded by thousands of hectares of raw African bush, all with private facilities.

Focus is on personal attention and making guests feel at home. Safaris are conducted on foot or open Landrover with an opportunity to sight the "Big 5"; elephant, rhino, buffalo, lion and leopard. Safaris on foot allow guests to get very close to the wildlife - an exciting experience. Visit the Kruger National Park, Blyde River Canyon, surrounding tribal areas. These and several other tours are available and conducted by Makutsi.

End your safari with a stopover in Cape Town, one of the most picturesque cities in the world, with the majestic Table Mountain providing a breathtaking backdrop. The "mother city" has many attractions and sample the local produce at a variety of local restaurants.
