Day 2: Kigali – Volcanoes National Park. A morning city tour of Kigali visiting the Kandt museum, old Kigali and the genocide memorial site. Day 3: Volcanoes National Park. After breakfast report to the National Park Headquarters to meet your guide for a briefing about the greatest animal experience ever! The time taken to track the Gorillas can be as little as 2 hours to as much as 5-6 hours before one returns to camp. Once the gorillas have been located a maximum of one hour is allowed with them - coming face to face with a Mountain Gorilla is a truly humbling and emotional experience and a great privilege to get up close and personal with such a majestic primate.
