

Uncover Alaska: Far From Ordinary

Unmatched, hands-on, unconventional, small group adventure cruises—where wildlife and wilderness take center stage. Change the way you see the world.

Unrushed. Uncrowded. Unbelievable.

Our Difference

Nobody does Alaska better than us, offers more variety, or provides adventure like we do. Our diverse fleet of small ships, with just 22-84 guests each, is perfectly suited to foster uncommon encounters and unexpected experiences—Glacier Bay National Park and majestic fjords; rainforests and glaciers; hiking and kayaking; humpback whales and orca; bald eagles and sea birds; brown bears, black bears, and “polar bear plunges.” And no matter which ship you choose, our expert expedition teams guide you on a unique and unforgettable journey.

Synonymous with unbridled adventure and awe-inspiring encounters, stepping aboard our Alaska voyages also means impeccable service and expertise, and exclusive access. From the moment your adventure begins, you’ll feel our uncompromising dedication to your whole experience. It’s in the welcoming ambiance on-board, in our hand-crafted cuisine, and in happy hours that celebrate the day. It’s our onboard field experts eager to share knowledge, in peaceful moments of quiet to relish magnificent landscapes, and in opportunities to try new activities (snorkeling in Alaska, anyone?). Pack your bag and prepare to unleash your excitement.
